Compliance Statement for RoHS and RoHS-2, Restriction of Hazardous Substances in Electrical and Electronic Equipment

References:

1. **RoHS 1** – Directive 2002/95/EC of the European Parliament and of the Council of 18 December 2002 amending Directive 2002/95/EC on the use of certain hazardous substances in electrical and electronic equipment (RoHS), as regards the implementing powers conferred on to the Commission.
2. **RoHS 2** – Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast). Secondary legislation on RoHS 2 per commission delegated directive (EU) 2015/863 dated March 31, 2015 with the following exemptions:
 - a. 2 Commission Delegated Directives (EU) 2015/573 to (EU) 2015/574, of January 30, 2015
 - b. 8 Commission Delegated Directives 2014/69/EU to 2014/76/EU, of March 13, 2014
 - c. 16 Commission Delegated Directives 2014/1/EU to 2014/16/EU, of October 18, 2013
 - d. 2 Commission Delegated Directives 2012/50/EU to 2012/51/EU, of October 10, 2012

Please refer to the following web site for more details on the information identified above:

http://ec.europa.eu/environment/waste/rohs_eee/legis_en.htm

In reference to the directives described above, Abbatron certifies that its product labeled as RoHS compliant are compliant to RoHS 1 and RoHS 2 directives with no exemptions. Abbatron products previously labeled as RoHS 1 compliant with a certification to RoHS 2002/95/EC are also compliant to RoHS 2 2011/65/EU (or RoHS-Recast as it may also be known). No warranty or liability indemnification is expressed or implied with this information.
