**Compliance Statement regarding Conflict Minerals for products
provided by HalSit Holdings LLC, dba Abbatron**

Reference:

Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502, reporting requirements for conflict minerals (CMRT).

Conflict minerals are Columbite-tantalite (coltan), cassiterite, gold, wolframite, or their derivatives; or any other mineral or its derivative determined by the Secretary of State to be financing conflict in the Democratic Republic of the Congo ("DRC") or an adjoining country. Metals derived from these minerals are tin, tantalum, tungsten, and gold.

HalSit Holdings LLC, dba Abbatron certifies that its products are manufactured with metals that are derived from materials that are DRC Conflict-free. Abbatron provides this assurance as a result of its due diligence process that relies on certification by its suppliers regarding traceability to the source and in some cases the identification of the recycled and scrap materials in their supply chains. HalSit Holdings LLC, dba Abbatron is committed to maintaining certification by its suppliers with regards to their continuing compliance with the above-referenced reporting requirements. No warranty or liability indemnification is expressed or implied with this information.
