

Compliance Statement for REACH

(Registration, Evaluation, Authorization and Restriction of Chemicals)

References:

1. Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)
2. European Chemicals Agency (ECHA), Candidate List of Substances of Very High Concern (SVHC): <https://echa.europa.eu/candidate-list-table>

Statement of Compliance:

Halsit Holdings, LLC dba Abbatron is committed to compliance with Regulation (EC) No 1907/2006 (REACH) and its subsequent amendments. Based on information provided by our suppliers and to the best of our knowledge, products manufactured do not contain Substances of Very High Concern (SVHC) above the threshold of 0.1% weight by weight, as defined in the latest Candidate List published by ECHA, currently consisting of 253 substances (as of February 2026). SVHC substances are not intentionally added during the manufacturing of products. As a manufacturer and distributor of electronic components, Abbatron relies on supplier-provided material declarations and does not perform analytical testing for substances that are not intentionally introduced. Additionally, products are evaluated against the restrictions listed in REACH Annex XVII, and to the best of our knowledge, do not contain restricted substances above applicable limits. Abbatron does not maintain full material disclosure at the homogeneous material level unless specifically required by contract. Abbatron will continue to monitor updates to the SVHC Candidate List and Annex XVII restrictions and will update this statement as necessary.
