**Statement of Compliance:**

Products manufactured by Halsit Holdings, LLC dba Abbatron are, to the best of our knowledge based on information provided by our suppliers, compliant with Directive 2011/65/EU and its amendments, including Directive (EU) 2015/863. Compliance is achieved either through material composition meeting RoHS substance restrictions or through the use of allowable exemptions as defined under the Directive.

**RoHS Exemption Declaration:**

Certain products may contain materials that utilize allowable exemptions under Directive 2011/65/EU and its amendments.

Exemption 6(c): Copper alloy containing up to 4% lead by weight.

Expiration Date: July 21, 2026

Exemption 6(a): Lead as an alloying element in steel

Expiration Date: July 21, 2026

These exemptions are applied only where technically necessary and remain valid under current RoHS regulations. Abbatron does not maintain part-level material declarations unless specifically required by contract.
